Closing Out Sale.

I am now Selling Out all my Well Located

Butler & Iron Co., Mo., Properties

AT GREATLY SACRIFICED PRICES AND ON EASY TERMS.

My properties in Butler County consist of many vacant and some nicely improved lots in Poplar Bluff and Hartsell, one Two-Story 22-Room Hotel, one Saloon Building, and one Store Building, located between Frisco and St. L. I. M. & S. stations in the town of Harvill; also Wild Lands and numerous Farms, in tracts of 40 acres and up. My farm lands, both up-lands and bottoms, have a fertile soil well adapted to the growth of clover and other grasses, also wheat, oats, corn and potatoes, as well as all other farm products raised in South east Missouri. They are all located within one-half to six miles of town and two trunk lines of railroad, the St. L. I. M. & S. R'y and the Frisco system, some of them adjoining the right of way of each railroad. They are situated in good healthy settlements, within easy reach of school houses and churches, and the best of water being accessible at minimum cost. I have lived in Butler county over a quarter of a century enjoying good health and prosperity, and during these years I have had chances to select the garden spots of the county. I am also offering for sale several improved and a number of vacant lots and a Three-Story 25-Room Hotel in the beautiful Arcadia Valley, all located in Arcadia, Iron County, Mo. The only hotel in the town, and is just a few steps from the railroad station and has a good patronage. My motive for selling is my desire to retire from business, and will not therefore hesitate to give any one wishing to invest a good bargain on any of the above properties.

The Religious Revival.

The remarkable religious revival
in Wales and the awakening in
London has turned attention sharp-
ly to similar possibilities in other
parts of the world. The distin-
guished English editor, W. T.
Stead, and the eminent American
clergyman, Newell Dwight Hillis,
unite in the prediction that the
movement is to become world-
wide.

Certainly the time is ripe. Man-
kind has been moving at a rapid
pace. It is a hard materialistic
age. The rich have become more
and more lavish and oppressive of
the poor, and the poor have given
themselves up very largely to the
thought of how to keep up with
the procession.

It might seem to the unthinking
that this is the hardest of condi-
tions for religious enthusiasm to
break in upon. But the truth is
that human nature swings, like the
pendulum, from the extreme of
idealism to that of materialism and
from materialism back to idealism.
Its attitude to-day is no indication
that it will be the same to-morrow.

World-wide materialism works
its own cure. The whole thing
eventually breaks down of its own
weight. Men's minds become sur-
feited and susceptible to other and
very different considerations. It
is then remembered and proclaimed
that man does not live by bread
alone. We may have so much of
the now and here as to sicken of it
and turn to thoughts of the beyond
for rest and inspiration.—Kansas

Gallops for Aid.

When your stomach is all upset,
your liver in bad shape, your bow-
els out of whack, your head like to
split, and every nerve in your body
on edge, Dr. Caldwell's Syrup Pe-
p-sin gallops for aid and you get it.
It clears out your poisoned sys-
tem, brings fresh, clean blood—sup-
ply to all your digestive organs,
and restores to you that comfort-
able feeling of perfect health. Sold
by Arcadia Valley Drug Co. at 50c
and \$1.00. Money back if it fails.

Afraid of Strong Medicines.

Many people suffer for years
from rheumatic pains, and prefer
to do so rather than take the strong
medicines usually given for rheu-
matism, not knowing that quick
relief may be had simply by ap-
plying Chamberlain's Pain Balm
and without taking any medicine
internally. Rev. Amos Parker of
Magnolia, North Carolina, suffered
for eight years with a lame hip,
due to severe rheumatic pains. He
has been permanently cured by
the free application of Chamber-
lain's Pain Balm. For sale by

The Grip.

"Before we can sympathize with
others, we must have suffered our-
selves." No one can describe to
you the suffering attending an at-
tack of the grip, unless you have
had the actual experience. There
is probably no disease that causes
so much physical and mental ag-
ony, or which so successfully de-
fies medical aid. All danger from
the grip, however, may be avoided
by the prompt use of Cham-
berlain's Cough Remedy. Among
the tens of thousands who have
used this remedy, not one case has
ever been reported that has result-
ed in pneumonia or that has not
recovered. For sale by Arcadia
Valley Drug Co.
